President's Message Jeanne Blythe

WELCOME! BIENVENUE! WELKOM! No matter the language, we are so glad to greet you for the 2025-2026 AAUW Tyler new year. I am excited to see you all again soon.

As usual, this year we have lined up for you some great programs that all underscore AAUW's public policy principles and priorities and reflect interests expressed by our members.

You've already received information for the first program on "The State of Higher Education" on September 3. Invite your friends or co-workers to attend with you so they can learn about AAUW and make new friends in the process.

As you know, our largest local project is providing scholarships to local graduates of Smith County. We awarded \$16,000 in scholarships in April 2025! I think that was a record for our branch. Don't forget we have a scholarship available for a branch member with three years of membership that can be used to continue her education whether it's for a certification, Leadership Tyler, or some other acceptable educational usage.

Our largest fundraiser for these scholarships, Games Day, is coming up on October 22nd. It's always such a fun time! There's the game playing itself—whether it's mah jongg, bridge, or some other game—plus a delicious lunch, silent auction, and best of all fellowship with friends.

The 2025-2026 branch year also will be a year of CHANGE in some ways. In the words of Taylor Swift, "This is a new year. A new beginning. And things will change."

In order to streamline some of our procedures due to a smaller number of members available to volunteer for our projects and fundraisers we are making some changes this year.

Some of these changes are as follows:

- This year you will sign up for volunteer opportunities and special interest groups at the September program so be sure to come! See more about interest groups on pages 5-7.
- The membership directory will be sent in PDF format rather than a printed program.
- Last April the board voted to discontinue work with the STEM Like a Girl project, However we still will be working on Academic Rodeo and Great Decisions.

Please embrace these changes as we strive to keep our local AAUW branch a viable entity in order to continue providing educational scholarships to young women.

We need YOU, our members, to take an active role in future branch leadership, attend our programs, and assist with our fundraisers so that we can be the best branch possible!

Jeanne

We need YOU, our members, to take an active role ... So that we can be the best branch possible!

Year Kickoff Set for Wednesday, September 3 at The Foundry

Mark your calendar for an extraordinary program to kick off our AAUW year, with Sharon Kyser speaking on "The State of Higher Education." **Read about it on page 2 of this newsletter.**

You also can mark your calendar for other upcoming informational programs planned for the next fiscal year.

Sharon Kyser on the State of Higher Education—Mary Lynn Smith, Program VP

Kicking the year off with a bang on **September 3 at 6:30 at The Foundry** is “The State of Higher Education” with Sharon Kyser, TJC Professor of History. She is a fan favorite at the Great Decisions lecture series because of her skill

at explaining complicated topics in entertaining and relatable ways. Expect a good slide show too!

Professor Kyser will cover topics such as challenges today’s students face, new legislation affecting colleges, and the changing demographics of higher education.

We will meet in the Foundry’s first floor Listening Room. Coffee and light dessert will be served. Park across the street in the city garage or pull up for drop off on Elm St. Please bring a friend or two with you as this event also will showcase plans and projects for the entire year.

Games Day Set for October 22—Jeanelle Maland, Co-Chair

Games Day is quickly approaching, set for Wednesday, October 22nd, from 10:00 a.m. to 3:00 p.m. at Hollytree Country Club. As in previous years, we will have a silent auction with quite the variety of fabulous items, including Mah Jongg accessories—including some by Oh Mah Jongg—cookies and pies, pampering services, food and drink gift cards, jewelry, art-work and many other novelties. Along with Mah Jongg, we would love to welcome players of bridge or any other game – come join the fun!

Save-the-Date cards have been mailed out, and invitations with registration forms will be sent in September.

If you have any friends who would like to join us who may not already be on the mailing list, Please contact Jeanne Henderson at **address in AAUW Tyler directory**.

Also, if you are unable to play, please consider coming to the wonderful lunch we are having this year and shopping the silent auction! Registration is \$45; lunch only is \$30.

Games Day is AAUW’s major fundraiser – we would love everyone to come and help support our local scholarships and educational projects. Also, please

start contacting friends and business associates for items to donate to the silent auction – remember, anything you would

bid on would probably be a great item! Finally, sponsorships are available, and a great way to support this event, either from members or businesses!

Thanks for your help,
Jeanne Henderson,
Chair

Exciting Upcoming Programs for 2025-2026—Mary Lynn Smith, Program VP

Topics were chosen this year to underscore AAUW’s public policy principles and priorities and to reflect interests expressed by members.

In the works for **November 5 at 6:30** is a program investigating how the high cost of child care creates barriers for working moms as well as women trying to complete their education.

Plans are to meet on site at a local child-care center.

Wonder what happens during “A Day in the Life of a High School Counselor”? Come out on **January 7 at 6:30** to hear Tracy Steele of Chapel Hill High School

share the ups and downs of her job.

Join us **March 4 at 6:30** to view and discuss a nonpartisan video created by Texas Impact, a group working for justice, about the Texas abortion ban. Diverse opinions are welcome and needed at this event to increase our understanding of the ban, its legal ramifications, and resulting impacts on

healthcare for women in our state.

AAUW members are known for their curiosity and concern. Bring both to these programs and we will learn together.

MEMBERSHIP NEWS—MARILYN COVEY, MEMBERSHIP VP

Welcome to another great year of interesting programs, opportunities for service to our community, and the opportunity to develop new friendships through participation in any of our interest groups.

Membership dues are no longer collected at the same time each year, but are based on the date you joined. Dues may be paid online or by mailing a check to the attention of Treasurer Julie Davis at P.O. Box 7171, Tyler TX 75711-7171.

There is a three-minute video at [aauw.org/membership/new-systems-](https://aauw.org/membership/new-systems-update/)

[update/](https://aauw.org/membership/new-systems-update/) that will walk you through the online payment process if you need help. Payments may be made at <https://my.aauw.org>. If you already have an account, you can log in and follow the prompts to renew your membership. If you do not have an account, click "Log In" at the top right corner of the website and create an account.

Paying online ensures the national, state, and local branch dues get credited accurately in one step.

Please invite your friends to any of our events or small groups this year and

let them know the good work AAUW does in the Tyler community by providing scholarships to local graduating seniors and Tyler Junior College graduates who are continuing their education elsewhere, or by helping with the Academic Rodeo Spelling Bee for area elementary school-aged children.
