

Scholarships to be Awarded April 22 — Jackie Littleton, Chair

A tough, but rewarding, job got a lot tougher this year. The Scholarship Committee received 35 applications for AAUW scholarships by the March 1 deadline. Applicants from Bullard, Chapel Hill, Legacy, Lindale, Troup, Tyler, and Whitehouse High Schools submitted requests for AAUW's 6 high school awards. Recipients will be announced at the branch Annual Meeting April 22.

This year's applicants already have been accepted at 15 different Texas colleges and universities, as well as the University of Arkansas, the University of Colorado, the University of Alabama, Purdue and Auburn. Their announced majors lean heavily toward STEM fields, including premed, health science, psychology, biology,

nutrition, and biomedical engineering. Engineering was well represented, as were biology and geology. Communications, music theory, finance and public relations were also mentioned. And, lest some of us "older generation" feel left behind, elementary education and nursing are still in the running!

This year's scholarship committee members are **Brenda Gilliam, Susan Garrison, Sandy Houston, Jeanelle Maland, Andie Rathbone, Carol Parr, and Jackie Littleton, chair.**

PUBLIC POLICY—SCHEREL CARVER, CHAIR

ALL FROM THE AAUW-TEXAS NEWSLETTER

ACTION ALERTS

Many AAUW Texas members are also members of the *League of Women Voters*. Our two organizations share many of the same legislative priorities for the current session. All AAUW Texas members have been invited to join with the LWV in participating in their Action Alerts. This can be done by signing up for League Action Alerts. You will get up to 5 Alerts per week by texting **ACTION to 80123**.

Some Positive Bills from Lt. Gov. Dan Patrick

On February 13, Lt. Gov. Dan Patrick presented his 30 Priority Bills, and the full list is available online. It may be surprising to find a few positive titles related to AAUW Texas' public policy priorities, such as Senate Bills listed below.

- Senate Bill 9 – Empowering Teacher Rights – Teacher Pay Raise
- Senate Bill 10 – Adding 13th Checks for Retired Teachers
- Senate Bill 11 – Keeping Our Schools Safe and Secure
- Senate Bill 25 – Creating New Scholarships for Registered Nurses
- Senate Bill 26 – Expanding Mental Health Care Beds Across Texas – Focus on Rural Counties

Continue to fight for equal pay

Join advocates, lawmakers, and community members from across the country to raise awareness about the wage gap that impacts women and their families! For every \$1 a man makes, women who work full-time, year-round earn on average only 84 cents. And for all earners (including part-time and part-year seasonal workers trying to piece together enough to get by) they earn only 77 cents on average as compared to men. Therefore, it took women until March 15, 2023 to catch up with men's 2023 earnings. **#EqualPayDay**

WRITE TO YOUR LEGISLATORS ABOUT THE RIGHT TO READ

From: *Texas for the Right to Read*
(TLA@ecprtexas.com)

This group, a part of the Texas Library Association, has shared a template for a letter to be sent to your state representatives encouraging them to vote 'NO' on anything involving book banning. Please copy this letter and send an electronic or a paper copy to your state legislator. **Feel free to add your own comments as well as that will give the letter more impact.**

Dear (name of your state legislator):

I am a constituent in your district, and I am writing to inform you of my opposition to the current push for banning books in Texas libraries.

Limiting someone's first amendment rights

based on subjective beliefs is a disservice to

the education of Texas

students. Oftentimes, these books are the first time that students see themselves represented in media or learn to empathize with others through these stories—a skill that we can agree is crucial to human development.

I am asking you to please speak out against this injustice and reinstate the books that have been shamefully removed from the shelves of Texas libraries.

Thank you,
(Add your name and address so they know you are a constituent)

MEMBERSHIP NEWS—SUSAN GARRISON, MEMBERSHIP VP

Dues Reminder & New Process

AAUW National changed the dues renewal process at the beginning of this fiscal year. Instead of all members being up for renewal in June, membership is now based on an anniversary year. The majority of our members still fall into the June renewal period. Watch for renewal details coming soon. For those of you who joined after August, the renewal is

the month you joined AAUW. You will receive a dues notice when it is time to renew.

2023-2024 dues have increased to \$100.00, broken down as follows:

AAUW National \$72.00

AAUW Texas \$13.00

AAUW Tyler \$15.00

National increased dues by \$5.00. To keep our members' dues at \$100, the

board voted to decrease our local dues to \$15.00.
